

# Hi, I'm Jenn Dodd.

Like an artichoke,  
I have a glorious heart,  
and lots of layers.

## Work Experience.

### **Kestrel Enterprises, Inc, Boeing, Berkeley Heights, NJ (January 2011- Present)**

- Graphic Designer- Assisting multimedia graphic designers and software developers with user interface design, wireframes and mockups, web site development, product documentation and multimedia training, brand identity design, video and audio production, consulted with developers.
- Notable achievements include: conceiving and implementing designs for web-based control panel/user interface, storyboarding and executing content for animated computer-based training, collaborate with technical writers in producing printed reference guide, develop brand for product packaging, providing voice narration.

### **Pollaro Custom Furniture, Union, NJ (November 2009 - January 2011)**

- Design & Drafting- Provided conceptual drawings for job proposals, liaison for clients to communicate project scope and pricing, drafted shop drawings, managed drafts and samples for client approvals, organized project assets, coordinated project fulfillment.
- Gained skills in communication and confidence when working with clients, furthered drafting abilities, and gained knowledge in exotic materials, furniture, and shop drawings.

### **PKB Design, Owego, NY (July-August 2007 & Winter 2008/2009)**
